

## Computer Masters of Kansas City advertise with Coffee News KC

*Computer Masters and Coffee News KC team up in advertising...*

Riverside, MO., March 14, 2007 — Computer Masters, LLC, Masters of Information Technology and the region's most unique technical support firm has partnered with Coffee News Kansas City ([www.coffeenewskc.com](http://www.coffeenewskc.com)). The relationship brings new I.T. advertising to the Platte County and Kansas City region for both Computer Masters & Coffee news KC. Coffee News is a localized publication that provides refreshing and entertaining news to patrons of businesses such as restaurants, local shopping areas, and much more. Coffee News also offers an anomaly in newspaper styled publications in Kansas City, which is providing industry specific exclusivity in advertising.

“Advertising with Coffee News provides a win-win situation for clients of both Computer Masters & Coffee News,” said Mike Cleveland, Computer Masters Chief Technology Officer. “Computer Masters feels more than honored that Coffee News KC has chosen us to provide our advertising using Coffee News publication as a vehicle. Meeting with Coffee News president Lisa Hatcher was a great experience, and we learned that both of our companies can help build each others success through partnering.”

Computer Masters is providing long term advertising using Coffee News KC in North and South Platte County, and Coffee News is now promoting Computer Masters.
