

Computer Masters of Kansas City partner with Di Interactive

Computer Masters & local web design guru, partner up for advanced offerings...

Overland Park, KS., August 22, 2006 – Computer Masters, LLC, Masters of Information Technology and the regions best and most unique technical support firm has partnered with Di Interactive (www.diinteractive.com). The partnership brings new I.T. offerings to the Kansas City region for both Computer Masters & di Interactive clients. Di Interactive has been the featured designer of kiosk software, Sprint CEO Presentations & corporation introductions, and is the designer of Indy 500 racing team websites.

“Joining forces with Di Interactive provides a win-win situation for clients of both Computer Masters & diinteractive,” said Mike Cleveland, Computer Masters Chief Technology Officer. “Computer Masters feels more than honored that Di Interactive has chosen us to provide web services to our clients using Di Interactive advanced web design & application technology. Meeting with di Interactive president Jason Scott was a great experience, and we learned that both of our companies can help build each others success through partnering.”

Computer Masters is providing advanced web services now using di Interactive engineers, and di Interactive is providing full service I.T. services now using Computer Masters.

About diinteractive

Founded by President Jason Scott, & Vice-President Benton Boyd, di Interactive is the future of web design. Interactive e-media, is the founding principle of Di Interactive, and we have the Internet to thank for it. Di Interactive’s team of graphic artists and usability experts create websites that are not only designed for you, but are carefully crafted to meet the needs of your clients.

Since Flash is our programming language of choice, most of our "websites" are ready to be used as the content for our [Virtual Business Cards](#). But it doesn't stop there. Di Interactive creates shopping carts, automated newsletter and survey systems, and touchscreen kiosks. Di Interactive information can be found at www.diinteractive.com or call 913-244-3844
